Ohio Art's fashion icon is back in style as the re-vamped version of the popular mix-and-match fashion doll Betty Spaghetti. Made-over Betty Spaghetti now sports a wardrobe full of hot new outfits, a collection of trendy accessories, and beads and charms to accessorize her spaghetti-like locks. Available in a variety of design themes, each doll has a unique collection of accessories such as chic handbags, unique hair add-ons, cell phones and even a snowboard. "Betty Spaghetti is the only doll to combine activity with traditional fashion doll play by featuring interchangeable body parts, beading and original hair play," Lauren Grande of Southard Communications told **TDmonthly**. Launch date: Fall 2007. [Watch Toy Fair demo video](#) 2/27/2007 (Price: \$9.99) [\[Add to my Inquiry Basket\]](#)
